Sir,

Subject: Nursing Staff - Government Headquarters Hospital, Mangalore - Continuance of temporary staff.

(T)

The sanction accorded in G.O.No.Ms.4276 P.H., dated 14-9-1940 for the continuance of one post of staff nurse in the Government Headquarters Hospital, Mangalore expires on 31st March 1942. The sanction accorded for the employment of two additional staff nurses in the Hospital in G.O. No. Ms.1314, P.H., dated 27-3-1941 will also expire on 30th April 1942. The present sanctioned bed strength of the Hospital is 116. The Hospital would be eligible to employ six staff nurses according to the scale of one staff nurse for 20 beds. But the present sanctioned number of nurses in the Hospital is only two permanent and three temporary.

P.T.O.

A statement showing the daily average number of inpatients treated in the Hospital is enclosed herewith. It will be seen therefrom that the number of in-patients treated in the Hospital is far more than the sanctioned number of beds.

I consider that the three temporary staff nurses sanctioned for the Hospital are absolutely necessary and request that Government will be pleased to sanction the continuance of these temporary posts upto 31st March 1944.

Necessary provision will be included in part 1 of the Surgeon General's Budget Estimate for 1942-43.

For Surgeon-General with the Government of Madras.

ASST. SECRETARY TO GOVT. 9 OCT 1941 EDUCATION AND PUBLIC HEALTH DEPT.

The appointment of a nurse was sanctioned in the Headquarters Hospital, Mangalore in G.O. No. 1365, Public Health --- Dated 26--8--1936 from 1--4--1937. The continuance of this appointment on temporary basis up till 31--3--1944 has been sanctioned in G.O. No. Ms. 3825, Public Health Dated 4--9--41. As the appointment sanctioned in 1936 would continue to be in existence on temporary basis for more than 5 years by 31-3-44. it is recommended that the same may kindly be sanctioned on a permanent basis from 1--4--1942 instead of being continued on temporary basis till 31--3--44.
